Social Learning Lab Research Assistant Application (Spring and Fall 2024)

Thank you for your interest in applying to be a research assistant for the Social Learning Lab! To be considered, please fill out this Google Form in full and attach the required materials. Applications are reviewed on a rolling basis as positions open on research projects. We anticipate that we will review applications towards the end of the Winter quarter (Spring start) and again in Fall 2024.

If you would like to inquire about positions or the application process, please contact Aneesa Conine-Nakano (lab manager) at sociallearninglab@stanford.edu.

Important note: New research assistants must commit to working for at least two quarters for ~9 hours per week (3 credits).
